STEMming the Tide: How Women and Girls are Changing the World

The Kingston Branch is host this year for the annual District IV conference. Members from Poughkeepsie, the Adirondacks, Schenectady, Amsterdam-Gloversville-Johnstown branches will gather to learn about ways to support the AAUW mission.

Other branches and other organizations that support AAUW's mission and the general public are invited.

The theme, STEMming the Tide: How Women and Girls are Changing the World, will explore the role women are playing in various environmental endeavors in our region. Speakers will include Janice Brown, AAUW-NYS president; Laura Petit, Ulster County Legislator; Beth Roessler, NYS DED; and Aliza Krevolin from FeedHV. There will be ample time to mingle with them and meet other members of the community who are having a positive impact on the Ulster County environment.

The venue will be the lovely Stonehedge Restaurant on Route 9W in West Park. A delicious brunch buffet will be served and there will be a cash bar. Mark your calendars and plan to come for a great brunch, stimulating ideas and still have time afterwards to explore the area on a fall afternoon. Watch your inbox for registration materials.
