**Equal Pay Day**

**Tuesday, March 31, 2020**

Wear RED on Equal Pay Day to symbolize how far women and minorities are IN THE RED with their pay. Equal Pay Day was originated by the National Committee on Pay Equity (NCPE) in 1996 as a public awareness event to illustrate the gap between men's and women's wages.

Since census statistics showing the latest wage figures are not available until late August or September, NCPE leadership decided years ago to select a Tuesday in late March or April as Equal Pay Day. (Tuesday was selected to represent how far into the next work week women must work to earn what men earned the previous week.) The date also is selected to avoid religious holidays and other significant events.

Because women earn less, on average, than men, they must work longer for the same amount of pay. The wage gap is even greater for most women of color, and mothers of all groups:

- Asian American women, February 11
- White women, March 31
- Moms, June 4
- African American women, August 13
- Native American women, October 1
- Latinas, November 2

**SUNY Adk AAUW Student Club Activities**

The president is still Ande Joyce-Jolley. We have had our first event for students in the cafeteria. "Be Your Own BAE" is our name for the AAUW recommended activity on body positivity and self-esteem. Students who came to our table and wrote positive messages about themselves on post-it notes and applied them to colored paper. After lunchtime the banner they made was on display in the upstairs of the Student Center where students congregate. The idea was to do it before Valentine's Day to counter the feelings of loneliness and inadequacy that some students feel then in particular.

We are also sponsoring a suffrage centennial event on March 18th, 5:00 p.m., in Bryan Hall 128. Snacks will be available. The community and Adirondack Branch are certainly welcome to attend. We anticipate the event will last 2-2 1/2 hours.
